**WARNING** ⚠  
Failure to read and follow  
manufacturers instructions may  
result in serious injury or death.

**SAFETY HARNESS**

Read and follow all instructions and illustrations found in the assembly and instruction manual provided with your purchased product. Always check the harness webbing and hardware before every use for any damaged or worn stitching, webbing or hardware. Failure to discard and remove this FAS device from service after five (5) years from manufacture date or after arresting fall, could cause serious injury or death. NOTE: 5 years is the maximum and less than 5 years is acceptable. This harness meets the requirements of ASTM F2337.
